

# COP28 Poster Competition

Group entry form instructions

1. **Ask your group/class to create their pictures, posters or/and infographics.** The categories are:
  - **Under 7** (school year 2 and below): A **picture** called 'Looking after our world'
  - **7–11** (school years 3–6): A **poster** on the theme 'What can I do to look after the environment?'
  - **11–14** (school years 7–9) and **14–16** (school years 10 & 11): An **infographic** to answer the question 'What can I do to reduce my carbon footprint?'
2. Entries need to be submitted electronically (jpeg or pdf), so please **scan or photograph** entries if needed, keeping the originals.

If you are sending a large number of entries, we suggest moving them to a shareable folder (on, for example, Google Drive, Dropbox or Teams), rather than sending a message with multiple attachments. Remember to set permissions that allow us to download entries so we can share those longlisted with the judges.
3. **Complete the form** on the next page. You can extend the table if needed.
4. **Send the form *and either the files or a link to a folder*** to: [outreach@space-park.co.uk](mailto:outreach@space-park.co.uk)

**Entries must arrive by 23:59 on 14 November 2023**
